WD Coordination: John Loomis/SWWD, Matt Moore/SWWD, John Hanson/VBWD, Tina Carstens/RWMWD

Meeting to discuss consistency across WD related to WMP, Rules, Programs, Policies, etc.

Agreement that consistency across WDs is an issue to be considered. However, areas for doing so is limited due to Municipality, resource, and development differences.

Key areas for continued/increased coordination and consistency are regional issues. Primarily:

- Groundwater
  - Pollution
  - Supply
  - Chloride/De-icing
- Education
- Boundary Updates
- Research
  - Stormwater
  - BMPs
  - In-lake management methods, impacts
